The Karen P. Nakon Breast Cancer Foundation was established on February 22, 2003 to honor Karen Nakon's graceful and courageous five-year battle against breast cancer. The primary mission of the Foundation is to help families endure the financial impact of a breast cancer diagnosis. Did you know:

- ❖ The Foundation has helped over 400 families with over \$500,000 in aid in just 9 years.
- ❖ 75% of the grants awarded cover two or more months of rent or mortgage.
- ❖ 51% of the applicants have children under the age of 18 in their home.
- ❖ In the last three years the Foundation has seen a 46% increase in applications.

One in eight women will be diagnosed with breast cancer. It can be devastating to families both emotionally and financially.

Your support makes a difference. Thank you.
