Your Support Makes a Difference

The Nakon Foundation's mission is to provide direct assistance to families struggling from the financial impact of a breast cancer diagnosis. Because of your support, the Nakon Foundation is able to assist families in Ohio who would otherwise be faced with foreclosure, eviction or utility disconnect notices. Often, these families are required to choose between treatment necessary for survival and food or shelter. Receiving basic living needs reduces stress and allows our patients to focus on care, treatment, proper nutrition and all the things necessary to heal.

Despite the efforts of doctors, researchers, caregivers, and all supporters in the fight against breast cancer, this indiscriminate disease continues to rage onward. Over 250,000 Americans will be diagnosed with breast cancer this year.

The Nakon Foundation is proud to partner with many foundations, institutions, and individuals. With support of organizations such as Susan G. Komen for the Cure, The Breast Cancer Fund of Ohio, The Cleveland Clinic, University Hospitals, and many community clubs, associations and groups who assist with their own fund-raising efforts, the Foundation is well-positioned to serve women with breast cancer and their families in Ohio.
