

Akron Women's Basketball
James A Rhodes Arena
373 Carroll Street
Akron, OH 44325

January 15, 2019

Friends in the Community,

The Akron Women's Basketball Program in partnership with the University of Akron community is preparing for our first annual "Akron for Nakon" Game to be held on February 16, 2019.

The mission of the event is to raise funds to support those suffering from breast cancer, honor the survivors of all cancers, and educate the community. The Nakon Foundation, will be the beneficiary of this year's event. All proceeds of the "Nakon for Akron" Game will be donated to this local community foundation.

This is an excellent opportunity for your company to be recognized for your support of cancer survivors, awareness, and supporting those in the community that are affected by the disease.

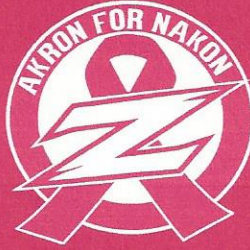

The Karen P. Nakon Breast Cancer Foundation was established on February 22, 2003, Karen's 38th birthday, to honor her graceful and courageous five-year battle against breast cancer. The primary objective of the Nakon Foundation is to help families endure the staggering cost of treatment. The foundation provides services for Northeast Ohio residents who are undergoing treatment and are in need of financial support.

Please consider the various commitment levels attached. Once you have decided the level of support you are able to provide, please indicate and return to Akron Women's Basketball or contact Colleen Day at cday1@uakron.edu/ 513-255-2507 by February 11, 2019.

Your support of the Northeast Ohio community, is greatly appreciated.

Sincerely,

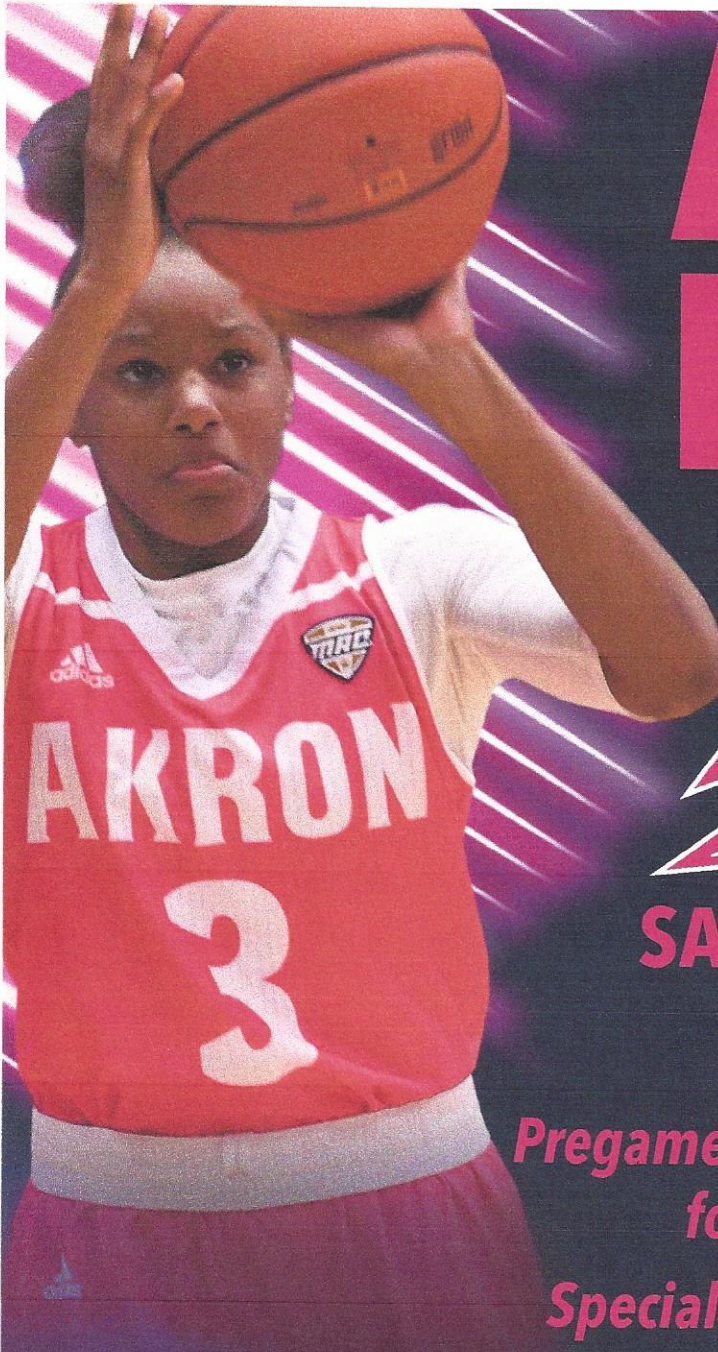

Akron Women's Basketball/The Akron for Nakon Committee
